LA Loft 3

Extremely cozy French-style apartment photo studio

Christmas tree will be installed in this studio between October 7th and January 9th.
Important! It's a self-check-in studio. There will be no employee at the front desk during your booking.
LA Loft studios come with included 2 LED panels with light stands, instead of Strobes and C-stands. We don't provide Strobes, light modifiers, c-stands, or backdrops at this location.
Loft 3 is an extremely cozy French-style apartment photo studio. There are several areas in this room that you can use for your shoot: the kitchen, dining, and bedroom, as well as the atelier corner. Large windows facing the DTLA skyline bring a lot of natural light to this space. Wooden vintage furniture, fireplace, and beautiful decor make Loft 3 a great place for your shoot.
