

Studio A

A daylight studio with big windows to capture the sunrise

This stunning photo studio for rent at our Los Angeles campus features **spacious windows** to capture as much natural daylight as possible in an open and customizable space. The minimalist interior puts your art in the spotlight **with bold, bright lighting** echoed by the plain white masonry and the concrete floor. Our renting schedule gives you flexibility in choosing the daylight available – **crisp morning light all the way to mellow evening tones**. No need to block out unnecessarily long periods of time. The overall feel of Studio A is open and inviting. The big windows really **open up the possibilities for incorporating natural light** into your projects, although a wide range of lighting equipment is available. All of our rentals come with standard included equipment and services, such as makeup stations, a mini-fridge, a range of paper backdrops, and complimentary Wi-Fi. This photo studio for rent gives you an opportunity to find out exactly what your subject can project without distractions or unnecessary equipment. Rent Studio A today and let your subject's natural beauty shine through.
