

Pro III

Soundproof podcast studio with furniture, video lights, wooden & brick walls, red curtains and a make-up station room

Important! It's a self-check-in studio. There will be no employee at the front desk during your booking. Pro Studio III is a true **blackout photo studio** which is also **soundproof**! There are a few layers of soundproofing and **2 NEEWER RGB1200 60W video lights**. The studio itself measures about 30 feet in length and 18 feet in width, giving you **plenty of room to play with**. This photo studio for rent is ideal for podcasts, interviews and precise lighting set ups. All **FD Photo Studio rentals come with** an assortment of included extras, like furniture setup, two Neewer RGB LED lights, two RGB Color Changing Mood Lighting Lamps, c-stands, free Wi-Fi, separate makeup room, and a lot more. There's also no need to worry about extra insurance or permit fees for regular photoshoots, and we guarantee you 100 percent privacy while you're conducting your shoot. Pro III Studio's rental rates are very affordable especially if you take advantage of our 4, 8 or 12 hour package discounts. **Don't miss the chance** to experience Pro III studio's awesome soundproof podcast set up for sound recording and perfect lighting control. **Rent this photo studio today**, and let FD Photo Studio show you what flexibility can do for your next project.
