Car Photo Studio for Rent with CycWall, TV Wall, RGB Tunnel and spinning Platform in Los Angeles

Car photography studio for rent with 18ft turntable, white corner cyc wall featuring a motorized grid system for the lights, that can go down to the floor or up to the ceiling. The TV wall is now broadcasting a video from the camcorder that is available at the studio, your phone or laptop. An LED car tunnel is also available at this studio.

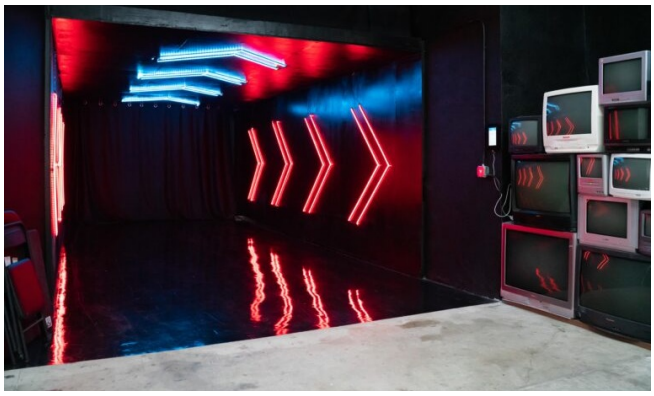

Important! It's a self-check-in studio. There will be no employee at the front desk during your booking.
Important! Olympic 3 cyclorama comes as is. If you would like the cyclorama freshly repainted for your booking, please request it in advance. The fee is $100 for a regular repaint. If you bring a car on a cyc wall it's a $150 mandatory fee for the cyc repaint. The booking start time should be before noon to confirm the repaint request. There should be no other bookings before you to confirm the repaint.
A few vintage TV's are not working. Most of the TV's are working with camcorder, phone or laptop. Camcorder is available inside the studio.
Can be combined with Olympic 2 via a large door to have both black and white cyc-wall and a total of over 3000 sq.ft production space.
