Welcome to Paris, located conveniently within Downtown LA. This airy French Baroque-style apartment entices and demands that you play with every inch of space. The soft yet elegant color palette will hold the focus on your model while providing enough of a backdrop to keep viewers engaged. Abundant natural light bounces gently around the whole space, providing a bright and colorful atmosphere. A mix of the 17th century and the modern-day, several hand-selected pieces of ornate furniture are at your disposal. Complete the French style with the chaise longues, capture comfort with the plush, studded bed, or get a new angle with the plethora of mirrors.
