

Metro 1

1400 sq.ft Blackout car photo studio with RGB Tunnel, RGB Walls

The current motorcycle is red and secured to a bike stand. It can be moved, but must remain on the stand. **Important!** It's a self-check-in studio. There will be no employee at the front desk during your booking. This studio is located on the ground level with a large loading gate allowing cars and bikes to simply drive in. RGB Lights are fully controllable. The motorcycle is included with each rental. 13-14ft high ceiling.
