1500 sq.ft Photo & video studio for cars with drive-in access, Mirror walls on both sides, and fully controllable RGB Ceiling

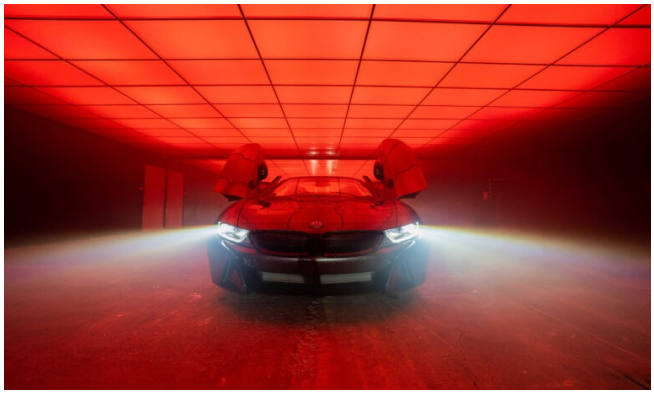

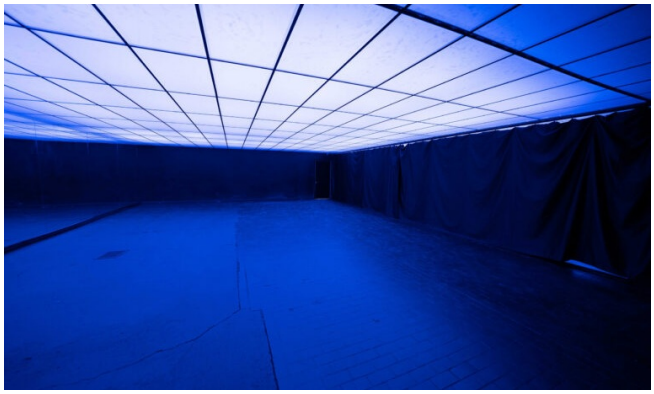

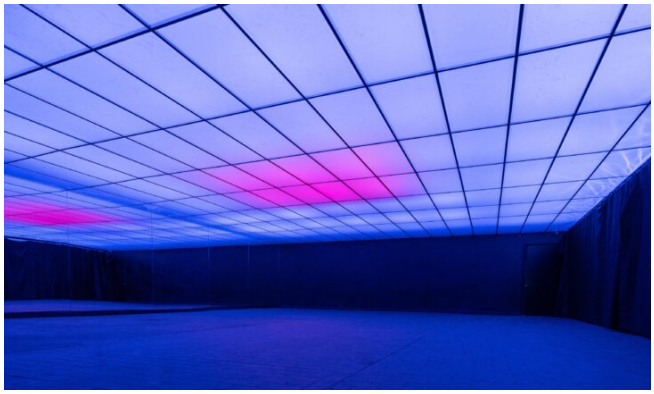

Exciting update! A brand-new black glossy floor has been installed in this studio. Updated images coming soon.

Important! It's a self-check-in studio. There will be no employee at the front desk during your booking. The car on the images is not included.

This studio is located on the ground level with a large loading gate allowing cars and bikes to simply drive in. RGB Lights are fully controllable and can be synchronized with music. 8ft high ceiling. One side of the mirrors can be covered with curtains.
