

**Important!** It's a self-check-in studio. There will be no employee at the front desk during your booking. The car in the photo is NOT included in the rental.

Studio Yukon 5 has the atmosphere of the Batcave Garage from "The Dark Knight" movie. It's a true gem for photographers and videographers looking for a special location to shoot. The studio features an RGB ceiling that can change colors and color schemes, creating a dynamic and immersive atmosphere perfect for car photography. The studio has a separate gated entrance allowing for easy car access.
